Planning of Girls' Camp This Summer

Miss Winnifred Gilhooly, the C. G. I. T. girl's work secretary was in town on Wednesday. A meeting for the purpose of arranging a girls camp this summer was held at the home of Verna Ingraham.

There were representatives from Arrowwood, Brant, Gleichen and Vulcan. A financial report of last years camp showed a good amount with which to start a camp this year. The tentative dates for camp was set July 6 to 13.

Mrs. Mackie was re-elected business manager and Rev. V. M. Gilbert registrar. It is hoped that we can secure Mrs. Northcott for camp mother.

Miss Gilhooly addressed a group of mothers and daughters in the evening.

It is expected that Tom Haythorn, the boys work secretary will be here on Saturday, May 21 to make arrangements for a boys camp to follow immediately after the other.

Card of Thanks

We wish to thank our many friends for their kind words of sympathy, assistance, and floral tributes.

Mr. and Mrs. G. Duncan and family.

Chester Duncan Passes Away on Tuesday

Henry Chester Duncan youngest son of Mr. and Mrs. George Duncan, passed away at the home of his parents on Tuesday, May 10th, at the age of 17 years, 11 month and 3 days, after a lingering illness. He leaves to mourn his loss the parents, five brothers and seven sisters.

The funeral service, which was largely attended, was held at the Church of the Brethren on Wednesday afternoon.

The music was by a mixed quartett, Misses Grace Irwin and Florence Norton, and Mr. Paul Irwin and Donald Vaneil, Mrs. Parnell at the piano.

Rev. J.H. Brubaker read the Scripture (Psalm 90) and led the prayer.

Rev. J. S. Culp preached the sermon, using as his text the ones suggested by the Duncan family, Psalms 23 and Job 21 "The Lord giveth and the Lord taketh away."

There were many beautiful sprays of flowers.

At the cemetery the committal was read by Rev. Culp. Prayer and benediction by Rev. Homer Caskey.

The following schoolmates of the deceased acted as pallbearers; Ernie Norton, Bob Oliver, Paul Irwin, Norman Horning, Melvin Bowman, Francis Mason.

The Resource joins with the many friends in extending sympathy to the bereaved family.

School Fair Meeting

A meeting of the School Fair Committee was held last Thursday evening, and the members present expressed their views that this year's fair should be another successful event. A number of donations and promises have already been received by the Committee and with the further support of all those interested, gratifying results should be obtained. Many classes still lack special prizes and any donations or promises will be gladly accepted by the Committee.

The School Fair Committee have received the promise of the following donations:

Gleichen Flour Mills, 1st, 98-lb sack Beau Ideal Flour; 2nd, 49-lb, sack Beau Ideal Flour; 3rd 24-lb. sack Beau Ideal Flour, for one loaf bread baked with Beau Ideal Flour.

Mother's Day Service at United Church

One of the largest congregations in the history of the United Church in Arrowwood attended the Mother's Day Service last Sunday. The program issued by the Religious Education Council of Alberta was followed with a couple of special numbers added.

The main feature of the program was a pageant. The scene was a home after the children had gone to bed. In a soliloquy, a mother expressed her feeling of responsibility towards her children. She fell asleep and her dream was represented by Religious Education and her hand maidens the Sunday School Supt, Secretary, Teacher, Pianist, and Monitor. Each took their part in the training of a child and mother awakes and realized that these were her helpers in the task.

This was immediately followed by the Sacrament Service when Mrs. McCann was inducted as an elder, sixteen were received into the manndership of the church and fifty partook of the elements.

School Fair Meeting

The Arrowwood School Fair Committee are holding a meeting on Tuesday May 17th to make further arrangements for the coming fair. All directors and teachers are requested to be present.

Acme Foot Ball from F. E. Osborne, school supplies, Calgary, to unit aggregating in sports.

Soft Ball, Mitt and Bat from Hudson's Bay Co., Calgary. 1st prize School Fair Parade.

School Notes

School was dismissed early enough on Wednesday afternoon to enable the scholars to attend the funeral service of Chester Duncan and thus pay their last respects to a former pupil of the Arrowwood school.

Admission 50 cents including supper.

Mrs. Asselstine's orchestra has been engaged to supply the music.

A WEEK IN FAIRYLAND

Nobody ever entirely loses that childhood illusion of a land which surpasses in loveliness, surprises and happiness anything that the mind is capable of envisaging; the land of make-believe, which everyone hopes may someday become a reality. It is not too much to say that the glorious Rockies, Canada's great holiday territory, renowned throughout the world, are as close to this elusive dreamland as anything that mortal man is likely to discover. Special arrangements for the coming season now bring a week in this modern fairyland well within the reach of the average traveller, with Banff and Lake Louise, on the main line of the Canadian Pacific Railway, as base-points and a wide range of every varying scenery and cosy holiday camps beyond. The "six-and-a-half days' tour" has already become a slogan among those planning their summer vacation, embracing, as it does, not only the two famous hotels at Banff and Lake Louise, but such well known points of interest and beauty as Johnston Canyon; Moraine Lake and the immortal Valley of the Ten Peaks; the Lakes in the Clouds; the Plain of the Six Glaciers; the Great Divide; Wapta Lake Bungalow

Camp; Yoho Valley and Bungalow Camp; Takakkaw Falls; the historic Kicking Horse; Mount Stephen; Emerald Lake and the wonders of the great mountains near Field, B.C. Easily reached from all points by Canadian Pacific Railway, main line points are linked with the camps in the inner mountains by the Brewster Transport Company, past masters in comfort and conveyance for the traveller in the valleys and passes of the mighty Rockies. Automobile drives, trail rides and hikes combine with bright entertainment in the evenings to make the holiday something to be remembered for a lifetime.

Is This a Step in the Right Direction?

Last week the League for Social Reconstruction, received the distinction of being mentioned on the floor of the Federal House. Our attention was first drawn to it in a notice of a meeting addressed by Mr. Calhoun, the librarian of Calgary Public Library.

A branch of the League has lately been organized in Calgary with Mr. Calhoun, as president. According to his statement, the League aims to work quietly along the lines of the Fabian Society of which Bernard Shaw is a distinguished member. The National executive is selected from the staffs of our Universities with the Hon. J. Woodsworth as honorary president. Mrs. Nellie McClung was present at the meeting and spoke briefly.

The aims and ideals of the League may be discovered from the following manifesto which was placed in the hands of each one present.

"The League for Social Reconstruction is an association of men and women who are working for establishment in Canada of a social order in which the basic principle regulating production, distribution and service will be the common good rather than private profit.

"The present capitalist system has shown itself unjust and inhuman, economically wasteful, and a standing threat to peace and democratic government. Over the whole world it has led to a struggle for raw materials and markets and to a consequent international competition in armaments which were among the main causes of the last great war and which constantly threaten to bring on new wars. In the advanced industrial countries it has led to the concentration of wealth in the hands of a small irresponsible minority of bankers and industrialists whose economic power constantly threatens to nullify our political democracy. The result in Canada is a society in which the interests of farmers and of wage and salaried workers—the great majority of the population—are habitually sacrificed to those of this small minority. Despite our abundant natural resources the mass of the people have not been freed from poverty and insecurity. Unregulated competitive production condemns them to alternate periods of feverish prosperity, in which the main benefits go to speculators and profiteers, and of catastrophic depression, in which the common man's normal state of insecurity and

hardship is accentuated."

"We are convinced that these evils are inherent in any system in which private profit is the main stimulus to economic effort. We therefore look to the establishment in Canada of a new social order which will substitute a planned and socialized economy for the existing chaotic individualism and which, by achieving an appropriate economic equality among all men in place of the present glaring inequalities, will eliminate the dominion of one class by another.

"As essential first steps towards the realization of this new order we advocate:

(1) Public ownership and operation of the public utilities connected with transportation, communications, and electric power, and of such other industries as are already approaching conditions of monopolistic control.

"(2) Naturalization of Banks and other financial institutions with a view to the regulation of all credit and investment operations.

"(3) The further development of agricultural co-operative institutions for the production and merchandising of agricultural products.

"(4) Social legislation to secure to the worker adequate income and leisure, freedom of association, insurance against illness, accident, old age, and unemployment, and an effective voice in the management of his industry.

"(5) Publicly organized health, hospital and medical services.

"(6) A taxation policy emphasising steeply graduated income and inheritance taxes.

"(7) The creation of a National Planning Commission.

"(8) The vesting in Canada of the power to amend and interpret the Canadian constitution so as to give the federal government power to control the national economic development.

"(9) A foreign policy designed to secure international co-operation in regulating trade, industry and finances, and to promote disarmament and world peace.

"The League will work for the realization of its ideal by organising groups to study and report on particular problems, and by issuing to the public in the form of pamphlets, articles, lectures etc., the most accurate information obtainable about the nation's affairs in order to create an informed public opinion. It will support any political party in so far as its program furthers the above principles; and will foster co-operation among all groups and individuals who desire in Canada the kind of social order at which the League aims."

UNUS SOLUS

That Biting Blast

Girls, do not shun the biting blast,
But face it with affection,
And well wrapped up and walking fast,
You find it will produce at last,
The loveliest complexion.

But what a pity that the breeze,
Which brings to cheeks such roses,
Should also love mankind to tease,
By lending on bleak days like these,
Tomato hues to noses.

GRANT FLEMING, M.D. — ASSOCIATE SECRETARY

Preventing Blindness

The loss of sight is a tragedy. We do admire the courage of the blind and marvel at the cheerful way in which most of them accept their handicap. Yet it is for each one of them a loss beyond measure. It is bad enough to be blind but it seems infinitely worse if the loss of sight might have been prevented. When we realize that as a result of carelessness many children are doomed to pass their lives in darkness, we would do well to take the necessary precautions so that such cases may not be repeated.

At the time of birth the child's eyes may be exposed to infection. Certain germs may gain entrance and set up a destructive inflammation that may lead to blindness. Because such a danger does exist, it is the practice to treat the eye of the newborn with a solution which will destroy these germs before they have a chance to do any harm. In many places such treatment is required by law. This simple and painless but efficient procedure would, if carried out regularly and without fail, in all cases, eliminate quite a large percentage of blindness in infants.

The next important preventive measure is the securing of treatment without delay for

the baby whose eyelids become swollen or red or if there is any discharge. When we say without delay, we mean actually without an hours delay, because prompt treatment may offer the only hope of saving the child's sight.

Injury to the eye is always serious and unfortunately it may cause the loss of eyesight. The proper selection of playthings will first of all help the child in his play and will also lessen, if not entirely avoid the chance of injury to himself. Toys which are thrown into the air such as a bow and arrow should not be given to the child who is too young to understand how to use them. The rifle with small shot is particularly dangerous. Blunt pointed scissors should be provided for the child to use for cutting out.

The possible danger of fireworks is generally recognized and it is well to remember that carelessness as regards fire crackers and other explosives may mean a serious injury.

It is because that sight is such a precious possession and the loss of sight such a serious handicap that it is necessary for parents to keep in mind these things which are dangerous to the eyes of their children. Reasonable care will bring about a decrease in the number of children who would otherwise belong to the world of the blind.

Ice Cream Is a Real Food

The official records of the Department of agriculture at Ottawa show that ice cream is one product which is steadily growing in popular favor in Canasa. It is a dairy product which contains all the food properties of milk with the addition of butterfat in the form of cream or sweet butter. The protein is the protein of milk and the vitamins of milk are retained in the ice cream; while the sugar (cane, honey or maple) used in its making is an energy producing food. Ice cream is a FOOD and ought always

to figure in the menu, helping most importantly as it does to maintain health, strength and vigour. It is one of the most important foods in the hospital and sick room, and is the one food which combines rare palatability with high food value.

A Problem With Chicks

One of the big problems in connection with raising chicks is cannibalism, when chicks pick at the feathers and flesh of their mates. Recent studies indicate this as more likely to occur where the chicks in brooders are exposed to direct sunlight. Direct rays of the sun should not be allowed to come into the room in which the chicks are carried in brooders. Artificial lighting is proving satisfactory and it should be so arranged as to cast no shadows. Ventilation is important, and provision should be made for the cold air to come in at the top through an opening near the ceiling, but care must be taken to deflect this cold air so that it will be properly heated before coming in contact with the chicks.

Here and There

Exports of Canadian wheat during the month of March totalled 9,920,634 bushels, of which only 71,288 bushels were routed through United States Atlantic seaboard ports.

Canada's butter exports to the British Isles and other countries totalled 10,680,000 pounds in 1931, as compared with only 1,180,400 pounds in 1930.

Canada's bread and bakery products industry showed production to a value of \$73,594,894 during 1930, through 2,698 establishments of which 1,071 are located in Ontario and 368 in Quebec.

March was the year's best month, to date, for pig iron production in Canada, with a total of 17,989 tons, at a rate of 580 tons per day, as compared with 362 tons per day in February and 332 in January.

W. G. Chester, dean of Canadian railroad veterans, has just retired, in Winnipeg, after 25 years in the service of the Canadian Pacific Railway and another 25 with the Brotherhood of Railway Conductors.

Excursions run by the Canadian Pacific Railway between various points in Eastern Canada have met with unqualified success. To date, some 17,000 persons have been carried on visits and holidays, over different week-ends, by this means.

The 1931 census shows 725,244 occupied farms in Canada, or 17,154 more than were shown when the count was taken in 1921. Quebec, Manitoba, Saskatchewan, Alberta and British Columbia are responsible for the increase, with the last-named in the lead.

Navigation opened in Montreal on April 15, with the Canadian Pacific freighter Beaverburn the first trans-Atlantic ship in port. Her master Captain E. Landy, receiving the gold-headed cane, presented annually by the Harbor Commissioners, for this exploit.

Passenger honors in the trans-Atlantic service also fell to the Canadian Pacific, when the liner Montclare docked on the afternoon of Tuesday, April 19, as the first passenger ship to arrive in Montreal. Thus the C. P. R. claims double honors for the 1932 season.

Liverpool witnessed an unique event on April 5, when 750 British boys and girls disembarked from the Canadian Pacific liner Montrose, after a special cruise in the Mediterranean. A great London daily newspaper has offered prizes for the best essays written on the trip.

Some weird stories have been told of feline sagacity, but the open record would appear to be held by a Siamese cat, which "stowed away" on the Canadian Pacific liner Empress of Britain, when she left England to go to New York to begin her world cruise last winter. Pussy finally deigned to show herself when the ship was half-way through her long trip. The Empress got a rousing welcome in New York when her trip was over, and the much-travelled cat was delivered to its owner, in the Southern States. (837)

How's Business?

Business is dull," remarked the scissors grinder.
Looking up, declared the astronomer.

Dead, said the undertaker.
Fine, said the judge.
Looking better, said the beauty doctor.

Fair, said the conductor.
Rotten, said the egg man.
Pretty soft, said the mattress maker.

Light, said the gas man.
Hard to beat, said the bass drummer.

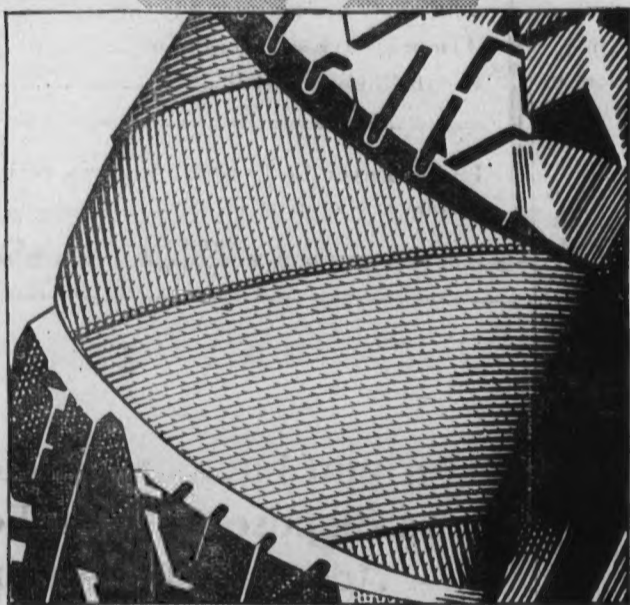

Just sew, sew, said the seamstress.

Bum, said the hobo.
Looking blacker said the bootblack. The preacher, who was the last one seen, admitted he was working to beat the devil.—Milwaukee Milk Producer.

Scotland will send an official Trade Mission ship to Canada this spring with a view to developing closer business relations with the Dominion. Over a hundred Scottish firms have already booked space on the ship which has been fitted out for the purpose by the Corporation of Glasgow.

Her Majesty, Queen Mary, and her two sons, the Duke of York and Prince George, showed great interest in the Canadian Industries section at the British Industries Fair at Olympia, London, on the occasion of their visit. The Royal party was received by Hon. G. Howard Ferguson, High Commissioner for Canada.

The highest Canadian mountain ski ascent was made in March when Russell H. Bennett of Minneapolis, Clifford White of Banff, and Joe Weiss of Banff, accomplished the unprecedented feat of climbing to the peak of the Snow Dome, centre of the vast Columbia ice fields. The peak is over 11,000 feet above sea level.

HOW MANY SUPERTWIST CORDS**IN THE AVERAGE GOODYEAR TIRE?**

GOOD YEAR

PRIZE CONTEST

\$3000.00

IN CASH PRIZES

- 1st prize . . . \$1,000.00 cash
- 2nd prize . . . \$500.00 cash
- 3rd prize . . . \$200.00 cash
- 4th prize . . . \$100.00 cash
- 5 prizes, each . . . \$50.00 cash
- 95 prizes, each . . . \$10.00 cash

104 prizes totalling \$3,000.00

A cool THOUSAND DOLLARS for merely estimating the number of cords in the average Goodyear Tire! Think of what you could do with that \$1,000.00. New car? . . . Cottage at the lake? . . . Trip abroad? . . . Education for the youngsters? . . . Oh, there are plenty of wonderful things one can do with real money and lots of it.

You don't have to spend a cent of money to enter. Read the simple con-

test conditions, get an entry blank from us and send in your estimate to-day.

Anyone from a household where a car is owned may enter. All tire dealers, all employees of rubber companies and the families of both are, however, debarred.

See the six Goodyear Tires of various sizes, types and ply-thicknesses on display here. Estimate the number of cords, find a total and divide by six to strike the average. Submit the number you estimate on a standard entry blank.

A section of Goodyear Supertwist cord fabric is on display to help you make your estimate.

Closing date: June 5th, 1932. Address: "The Goodyear Supertwist Cord Contest," New Toronto, Toronto 14, Ontario.

Happenings In and Around Arrowwood

Strictly fresh eggs always on hand at Frank Johnston's at 10c a dozen.

Mr. and Mrs. R. R. Saunders and son Arthur, spent Sunday afternoon at Okotoks.

Mr. and Mrs. H. M. Kerr of Calgary were Sunday visitors at the home of Mr. and Mrs. E. Bell.

Mr and Mrs. R. Dahl spent the week-end at Retlaw.

The Arrowwood baseball team will play at the Gleichen sports on May 24th.

The Larsen Implements have greatly improved their office both in appearance and convenience.

Dr. E. J. and Mrs. Liesemer and little daughter Norma spent the week-end in Carstairs.

The Catholic ladies are holding a sale and tea at Ingraham's block on Saturday, May 14th. The sale will include home-cooking, aprons, candy and ice cream. Everybody is invited to attend the sale.

A meeting of the School Fair Committee, Directors, and Teachers will be held on May 17.

DON'T FORGET the P.T.A. Dance in the school on Friday, May 13th. Proceeds in aid of the School Fair.

Mrs. P. L. Fike received word from Mr. Fike this week that he is getting along nicely. Mr. Fike has been at Denver, Col. for the past three weeks receiving special treatment.

The Misses Carol and Eileen Chrestenson and Miss I. M. MacLeod motored to Innisfail on Saturday where they spent the week-end.

Miss Evelyn Burriess was the guest of honor at a very enjoyable surprise birthday party at the home of Mr. and Mrs. R. L. Culp last Tuesday evening.

Drop Fred Jones, of Gleichen a line and he will be pleased to call with samples. Progress Brand clothes, fit, quality and workmanship guaranteed. Calgary Knitting Co. Best knit goods on the market.

Saturday evening last a host of friends gathered at the home of Floyd Cary to surprise him on the occasion of his 15th birthday. The party was planned quite capably by the Misses Vera Hesketh, Mildred Irwin, and Mr. Irwin Scott; and through their efforts an evening of merriment was enjoyed by all. The group expressed their appreciation of Floyd's friendship by presenting him with a Parker Dufold pen. Lunch was served at 11.30 after which the party dispersed.

Now is the time to prepare for the P.T.A. Dance in the school on Friday, May 13th.

Rev. W. C. Lyle will preach at the Church of the Brethren on Sunday morning.

Mrs. M. R. Leonard and Miss Marjorie Leonard were visitors in Calgary on Monday.

Mr. W. S. Benjamin, of Careyvale, Sask., arrived in Arrowwood last Sunday on a visit with his daughter, Mrs. C. G. Taylor.

The Manitoba general elections will be held Thursday, June 16th.

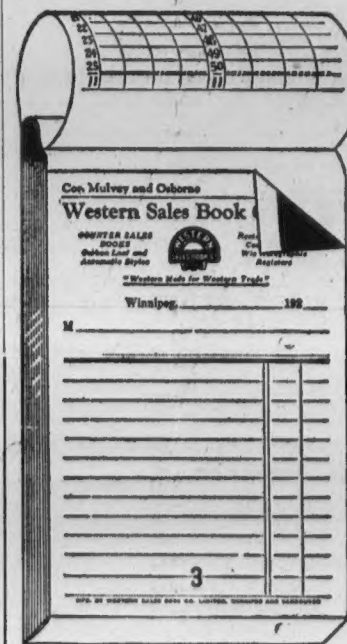

Ralph Leonard and George Wilkinson of Calgary spent the week-end in Arrowwood.

The Ladies' Guild are being entertained this afternoon by Mrs. V. M. Gilbert at the manse Gleichen.

On Wednesday morning E.B. McKinley and family with Mr. and Mrs. Roe started for the Peace River overland with three trail outfits. Mr. McKinley expects to be on the trail six weeks, making the trip. The covered wagon is almost a thing of the past and to see our old friend Ernie starting out on his long journey reminds us of those dardy pioneers that first came to Alberta in wagons to settle the country and make possible all the modern conveniences we now have. We all wish the McKinleys and Roes the best of luck on their journey and ultimate success in their new home.
